Asia Pacific Cable System between a Guam Cable Landing Station and TY2
Peering Location in Tokyo, Japan**

Response to Questions

Question #23: Procurement forms 002, 003, 004, 005, and 006 need to be notarized. This presents challenges as notarization typically requires the signer to be present. Please confirm if it is possible to submit the forms, as part of the bid submission, un-notarized and have them notarized later.

Response: GTA requires complete bid package submissions to include notarized Procurement Forms 002-006.
